

LEONIA COMMUNITY CALENDAR 2021-2022

LEONIA - MOVING FORWARD

While the coronavirus created unprecedented challenges and transformed life as we know it, school, sports, recreation and borough activities managed to continue, with modifications. We look forward to a better year ahead.

Dates and events in this calendar may be subject to change. Please check contact information provided.

Some images in this calendar were reproduced from online videos viewable on the School, Library and Recreation Department websites and social media. Video craft instructions, virtual graduation ceremonies and access to a great deal of information was the norm in the past year of cyber meetings and cyber learning.

SPECIAL SERVICES

A full-time Supervisor of Special Services oversees the district's Special Education programs. Education and related services are provided by professional staff members: teachers, school psychologists, school social workers, learning consultants, speech language pathologists, occupational and physical therapists. The Child Study Team evaluates students based on presenting needs. An Individual Education Program (I.E.P.) is developed, implemented and monitored for students found eligible for services. Special instruction is provided for students with learning, emotional, developmental and/or physical disabilities. Resource Centers in each school provide replacement instruction and/or assistance with academic subjects and the development of organization and study skills. Self-contained classrooms at all three schools provide individualized instruction for students with learning and multiple disabilities.

ENRICHMENT PROGRAMS

Our district offers enrichment services at each grade level for students who possess or demonstrate high levels of ability, in one or more content areas, when compared to their chronological peers in the district. At ACS, our Kindergarten through Second Grade students have a Math Enrichment period for students to engage in problem-based math problems designed to extend their thinking as they analyze and apply various mathematical concepts. Our students in Grades 3-5 participate in a Global Citizens unit that provides students with the opportunities to develop their interdisciplinary problem-solving abilities. Students in grades 6-8 are identified and enrolled in portfolio classes in Language Arts, Mathematics, Science, and Social Studies.

At the high school, students are identified and enrolled in Advanced Placement and Honors courses in a number of subjects. High school students can also participate in Dual Enrollment classes to receive college credits, while completing their high school requirements.

ENGLISH LANGUAGE LEARNERS

Leonia is a diverse community with over 40 languages spoken in our homes. The ESL program serves students who are limited in their ability to speak English. ESL courses are available at each grade level and help our English Learners develop and improve oral communication, reading, and writing skills in English.

HIGH SCHOOL ACADEMY PROGRAM

LHA hosts seven academies, the Leonia Academy of STEM with six concentrations (LAS); the Leonia Academy for Hospitality and

Culinary Arts (LAHCA); the Marketing and Business Leadership Academy (MBLA) with two specific majors: Economics/Finance and Marketing; the Leonia Humanities Academy (LHA) with two schools, the School for Literature and Language and the School of Social Sciences; The Leonia Music Conservatory (LMAC-Music);, the Leonia Fine Arts Conservatory (LMAC- Fine Arts) and our newest academy, the AVT- the Academy for Vocational and Trade. For more information please go to leoniaschools.org and then to the high school home page.

STUDENT SERVICES

A guidance staff that includes one counselor in the Elementary School, three at the Middle School and four at the High School supports the academic program. At ACS, the guidance counselor provides advice, support, and help in educational and personal development for the students at ACS. This is accomplished by meeting students in both the group setting and individual meetings where topics such as peer pressure, tolerance and study skills are discussed.

The school counselor is also available as a resource to parents who may have questions or concerns about their child. At the middle school, counselors provide counseling services, both individual and group, monitor student achievement, maintain open lines of communication between parents and staff and oversee standardized testing. At the high school, the guidance counselors provide career and college counseling, as well as support services for youths at risk.

I&RS COMMITTEE

The Intervention & Referral Services (I&RS) Committee is made up of school administrators, teachers, counselors, child study team members, and parents. The I&RS committee meets to discuss strategies and resources for faculty and parents to employ within the general education curriculum to better support the individual student's needs.

FOOD SERVICES

All three schools have a cafeteria and provide low cost, nutritionally balanced hot and cold breakfast and lunch service daily. Free or reduced price breakfast and lunch are available to students who qualify under state and federal programs.

Applications are available electronically on the district website: <https://www.leoniaschools.org/apps/pages/lunchapplication>.

HEALTH SERVICES

School nurses in each school conduct screenings for vision, hearing and scoliosis (curvature of the spine); maintain health records; record height and weight and blood pressure; administer medications (if a note from the doctor has been provided); and provide emergency care. The school nurse may also make referrals regarding possible emotional or physical difficulties. If a child becomes ill during school, he/she will be sent to the nurse's office. If, in the opinion of the school nurse, the child is unable to remain in school, a parent will be contacted and asked to pick up his/her child to take him/her home. A complete physical is required for children in kindergarten, fourth, seventh and tenth grades.

AFTER SCHOOL CHILD CARE

Leonia School Age Child Care (SACC), an organization run by an independent board, provides child care services for students in grades Pre-K to 6 at Anna C. Scott School. Students can be dropped off as early as 7:00am and picked up no later than 6:00pm. SACC can be reached at (201) 944-6715.

AFTER SCHOOL ENRICHMENT

Our district offers after school enrichment classes for ACS students in grades 1 to 4. A variety of courses are offered for a fee. Please keep an eye out for more information from ACS school.

COMMUNICATIONS WITH THE PUBLIC

More information on our district and schools can be found at our district website: <https://www.leoniaschools.org/>

For parents/guardians, please register for our school Remind accounts to receive text updates, alerts, and information.

HOME AND SCHOOL ASSOCIATION

Each school has an active Home and School Association. Members raise funds for special programs and trips, for teacher wish-list items, and for scholarships. Volunteers are always needed to help on field trips, to assist in the library, to perform at assemblies, to contribute to bake sales, to help at special events, to translate, to participate in career days, and much more. If you have a special talent you'd like to share, please contact the Home and School chair at your school or attend one of their scheduled meetings listed in this calendar.

In addition to the regular H&SA monthly meetings, the high school H&SA Education Committee meets monthly with the principal to share curriculum topics.

SANITATION SERVICES

The DPW picks up garbage, trash, recyclables, yard waste and white goods. All trash and collectables must be at the curb by 7:00am but not before 5:00pm on the preceding day. Residents should not drop off any refuse or anything else at the DPW, as it is closed for public access.

Garbage (household refuse) is collected Tuesdays and Fridays curbside. It must be in sealed plastic bags, not loose in a can.

Trash bulky items (such as furniture, rugs, mattresses and box springs) are picked up curbside on alternate Mondays (north of Fort Lee Road) and Thursdays (south of Fort Lee Road). Tires, large appliances, and yard waste are not considered trash.

Recyclable materials (paper, glass, bottles, cans) are picked up every Wednesday at the curb. Mixed paper alternates with comingled (cans, bottles, hard plastics) recyclables. All mixed recyclables should be rinsed. Do not bring directly to DPW. Materials should be in rigid containers, not plastic bags.

Yard Waste (branches, leaves, brush, grass clippings) is picked up at the curb on alternate Mondays. Loose clippings should be in rigid containers or biodegradable bags that do not exceed 50 pounds. Branches, limbs and shrubbery should be bundled. **No plastic bags!** Landscapers are responsible for removing the yard waste they create.

Loose Leaves can be raked into piles at the curb from October through December only and must be 20 ft. from catch basins. Branches, brush and grass clippings should not be mixed with the leaves. Absolutely no plastic bags with leaves will be picked up!

If a child will not be attending school, parents must call the school first thing in the morning. Each school has a different procedure so please check your child's Agenda. When the child returns, he/she must bring a note signed by the parent or guardian describing the reason for the absence.

SCHOOL POLICIES

Each student is issued an Agenda at the beginning of the school year detailing all the policies for that school. Please refer to it if you are uncertain about any school issue. All Leonia schools have a strictly defined policy in regard to drugs, alcohol and weapons, as well as for hazing and harassment of any kind. No smoking is allowed on school grounds.

ENTITLEMENT TO ATTEND THE PUBLIC SCHOOLS ON A TUITION-FREE BASIS

State law (N.J.S.A. 18A: 38-1) stipulates that the children of legal residents of Leonia are entitled to attend the Leonia Public Schools on a tuition free basis. (Leonia's sending/receiving relationship with Edgewater entitles Edgewater students to attend the Leonia Public Schools in grades 7-12.)

As stated in Board Policies (Nos. 5111 & 5118), "The mere owning of any property whatsoever does not qualify a parent/guardian to send children to school in this school district." Additionally, "The Board reserves the right to verify the residency of any pupil and the validity of any affidavit of guardianship." Upon registering a student, parents/guardians must present appropriate documentation demonstrating residency. Affidavit submissions must also comply with applicable state law.

The Leonia Public Schools accepts tuition students on a limited basis and under certain conditions.

Students who are found to be in attendance in the Leonia Public Schools without any entitlement to do so on a tuition-free basis will be removed from school. Their parents/guardians will be subject to the payment of tuition calculated on a per diem basis for the length of enrollment.

PHYSICAL EXAMS

Physical examinations are required by the Board of Education before kindergarten, 4th, 7th, and 10th grades. Students participating in sports need an annual physical along with state-mandated age-appropriate vaccinations.

EMERGENCY CLOSINGS

If school is cancelled due to inclement weather you will see a Remind text and phone message. In addition, the posting of the emergency closing will be on the district's website leoniaschools.org.

CROSSING GUARDS

Crossing guards help children safely cross the streets at key intersections. Please encourage your child to cross only where there are guards on duty.

SCHOOL BOARD MEETINGS

The Leonia Board of Education holds public meetings on a regular basis. The meetings will be held at either the Anna C. Scott Elementary School or Leonia High School. Please check the district calendar for the specific meeting dates.
