Surplus Balance Remaining	2311700	886,835.00

			2022		
<b>CAPITAL</b>	BUDGET	AND	CAPITAL	<b>IMPROVEMENT</b>	<b>PROGRAM</b>

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET	- A plan for all capital expenditures for the current fiscal year.  If no Capital Budget is included, check the reason why:
	Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line items and Down Payments on Improvements.
	No bond ordinances are planned this year.
CAPITAL IMPROVEMENT PROGRAM	<ul> <li>A multi-year list of planned capital projects, including the current year.</li> <li>Check appropriate box for number of years covered, including current year:</li> </ul>
	X 3 years. (Population under 10,000)
	6 years. (Over 10,000 and all county governments)
	years exceeding minimum time period.
	Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
