

# LEONIA COMMUNITY CALENDAR 2024-2025

LEONIA PAST, PRESENT & FUTURE

# & HONORING LEONIA'S PAST LOOKING TO THE FUTURE

**On the Cover:** A look back at Leonia in 1924 showing children on the elementary school lot. The building in the background, the Telephone Exchange built in 1911, became the home of the current Borough Hall in 1953. Historical images in this calendar courtesy of the Leonia Public Library's Local History Collection; Joel Lee Groves; and Leonia Historic Preservation Commission, David Braun, Chair. Inset above it is an image of the current Borough Hall (center). Image capture Apr 2022 © 2024 Google.

## THE LEONIA MUNICIPAL CENTER

The Leonia Master Plan back in the 1940's called for the acquisition of the land to situate a borough government building where the new Municipal Center now proudly stands. While it took over 80 years to bring this vision to fruition, we now have a state of the art, long overdue, modern police headquarters and court building to replace the run down police headquarters in the old repurposed Borough garage. The court doubles as a venue for the Governing Body and other public board meetings.

As a bonus, its walls are being put to good use with exhibits by community and student artists. Above: Recreation Center students with their teacher Allen Terrell on May 19, 2024, exhibiting their work. Allen, who is also the Chair of the Mayor's Advisory Committee on the Arts, organized a reception and the art was available for sale.

The Committee is planning a fundraiser gala on September 22, 2024, with an exhibition of local artists' work for sale to benefit the Leonia Library. Check [leonialibrary.org](http://leonialibrary.org) for details and [leonianj.gov](http://leonianj.gov) for the latest meeting times and locations.

Right: Mayor Bill Ziegler with Allen Terrell

While certainly representing a considerable capital expense, the new building project came in at approximately \$2.5 million below budget.

## BOARD OF EDUCATION'S ART COLLECTION

Two gesso murals from 1936 by Howard McCormick flank the ACS Auditorium stage. On the right: *Washington's Retreat from Fort Lee, November 20, 1776.* On the left: *Sarah Roelofs Kiersted & Lenape Chief Oratam negotiating with Peter Stuyvesant, 1664.*

Inset photos of the Board of Education Art Collection were taken by James Leynse. Other photos on this page were taken by Aviva Djiji-Levy

In the LMS Music Room a 10 x 30 ft. oil painting on canvas by Charles S. Chapman, NA, titled *South America, 1917*, allegorically depicting the continents, was commissioned by the Red Cross during World War I and donated to the Leonia public schools in 1930.

## ATHLETIC ACHIEVEMENT

Congratulations to Jaden Marchan, Edgewater resident and Leonia High School 2024 Graduate for competing in the 2024 Summer Olympic Games in Paris, France, representing Trinidad & Tobago as a member of the 4x400 relay team.

Above: image from the Leonia Board of Education announcement.

## Redevelopment Plans

As we admire the old Leonia photos and compare them to current Leonia, we can't help but be reminded that change is inevitable. How Leonia changes to meet the needs of our residents for the future is very much on our minds today as we deal with the challenges of revitalization and redevelopment.

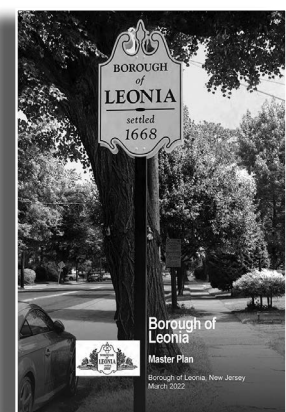

If you are not already familiar with or involved in the ongoing discussions about redevelopment and revitalization, please take a moment to understand what is happening and how your Mayor and Council plus your friends and neighbors on the Revitalization/Redevelopment Committee are all working together to achieve the best possible future for ourselves and Leonia's children. The most effective way to do this is to consult our Borough website at [www.leonianj.gov](http://www.leonianj.gov). There you will find the information you need to be current on the challenges confronting Leonia as a result of recently enacted state legislation which requires hundreds of new housing units to be built here in Leonia, a borough without much developable land. Becoming aware of the issues and weighing in on the process is in everyone's best interest. Please take advantage of the opportunity to get involved.

– Mayor Bill Ziegler

The aerial view below emphasizes how green Leonia is. A checkered overlay (approximation from the Master Plan) shows future land use for the primary area in need of redevelopment. The Mayor's Advisory Committee on Revitalization and Redevelopment reassures the public that any project must adhere, as much as possible to restoring, enhancing, preserving, protecting Leonia's character, values, traditions, and small town quality of life.

## From Elementary School to Superintendent

Joseph Vollmer, one of the students pictured in the cover photo, went through the Leonia school system. He is pictured wearing the letter sweater in the 1929 yearbook photo as Student Council treasurer.

He attended Columbia university, later returning to Leonia to teach History and English and coach football. He became assistant principal in the early 1950s and superintendent of Leonia Schools from 1955-60 as seen in the *Bergen Evening Record* clipping.

Joseph Vollmer, above, has been named superintendent of schools by the Leonia Board of Education. Vollmer, former assistant principal at Leonia High School, succeeds Dr. Harold F. Hoffman, who resigned.

## Meet Leonia School's Superintendent Dr. Brian Gatens

"Looking Forward to the Future"

As we embark on a new academic year, the theme of "Looking Forward to the Future" resonates deeply within the Leonia Public School community. Our dedicated educators, staff, and administrators are committed to fostering an environment where every student can thrive, innovate, and excel. This year, we are excited to honor the past with our continued dedication to excellence and honor the future by focusing on growth through the creation of a new District Strategic Plan, modifying our academic programs to keep them challenging, and updating our school buildings.

Together, with the unwavering support of our families and community partners, we are building a brighter future for all our students. Let's embrace the journey ahead with optimism, resilience, and a shared commitment to excellence.

Go Lions!

– Dr. Brian Gatens

### SHADE TREE ORDINANCE

Please visit the Shade Tree Commission page on [leonianj.gov](http://leonianj.gov) to find the Tree Removal Permit, Tree Ordinance & FAQ. Any healthy tree on private property with a diameter >8" should not be cut down without a Tree Removal Permit or the homeowner is at risk of being fined \$1500.

### PRIVATE PROPERTY TREE PLANTING

Please contact the Shade Tree Commission to have a Shade Tree planted in your front yard, free for Leonia residents. Partner with the STC to keep Leonia streets green and healthy.

## SPECIAL SERVICES

A full-time Supervisor of Special Services oversees the district's Special Education programs. Education and related services are provided by professional staff members: teachers, school psychologists, school social workers, learning consultants, speech language pathologists, occupational and physical therapists. The Child Study Team evaluates students based on presenting needs. An Individual Education Program (I.E.P.) is developed, implemented and monitored for students found eligible for services. Special instruction is provided for students with learning, emotional, developmental and/or physical disabilities. Resource Centers in each school provide replacement instruction and/or assistance with academic subjects and the development of organization and study skills. Self-contained classrooms at all three schools provide individualized instruction for students with learning and multiple disabilities.

## ENRICHMENT PROGRAMS

Our district offers enrichment services at each grade level for students who possess or demonstrate high levels of ability, in one or more content areas, when compared to their chronological peers in the district. At ACS, our Kindergarten through Grade 2 students have a Math Enrichment period for students to engage in problem-based math problems designed to extend their thinking as they analyze and apply various mathematical concepts. Our students in Grades 3-4 participate in a Global Citizens unit that provides students with the opportunities to develop their interdisciplinary problem-solving abilities. Students in grades 6-8 are identified and enrolled in portfolio classes in Language Arts, Mathematics, Science, and Social Studies.

At the high school, students are identified and enrolled in Advanced Placement and Honors courses in a number of subjects. High school students can also participate in Dual Enrollment classes to receive college credits, while completing their high school requirements.

## ENGLISH LANGUAGE LEARNERS

Leonia is a diverse community with over 40 languages spoken in our homes. The ESL program serves students who are limited in their ability to speak English. ESL courses are available at each grade level and help our English Learners develop and improve oral communication, reading, and writing skills in English.

## HIGH SCHOOL ACADEMY PROGRAM

LHA hosts seven academies, the Leonia Academy of STEM with six concentrations (LAS); the Leonia Academy for Hospitality and

Culinary Arts (LAHCA); the Marketing and Business Leadership Academy (MBLA) with two specific majors: Economics/Finance and Marketing; the Leonia Humanities Academy (LHA) with two schools, the School for Literature and Language and the School of Social Sciences; The Leonia Music Conservatory (LMAC-Music);, the Leonia Fine Arts Conservatory (LMAC- Fine Arts) and our newest academy, the AVT- the Academy for Vocational and Trade. For more information please go to [leoniaschools.org](http://leoniaschools.org) and then to the high school home page.

## STUDENT SERVICES

A guidance staff that includes one counselor in the Elementary School, three at the Middle School and four at the High School supports the academic program. At ACS, the school counselor provides advice, support, and help in educational and personal development for the students at ACS. This is accomplished by meeting students in both the group setting and individual meetings where topics such as peer pressure, tolerance and study skills are discussed.

The school counselor is also available as a resource to parents who may have questions or concerns about their child. At the middle school, counselors provide counseling services, both individual and group, monitor student achievement, maintain open lines of communication between parents and staff and oversee standardized testing. At the high school, the school counselors provide career and college counseling, as well as support services for youths at risk.

## I&RS COMMITTEE

The Intervention & Referral Services (I&RS) Committee is made up of school administrators, teachers, counselors, child study team members, and parents. The I&RS committee meets to discuss strategies and resources for faculty and parents to employ within the general education curriculum to better support the individual student's needs.

## FOOD SERVICES

All three schools have a cafeteria and provide low cost, nutritionally balanced hot and cold breakfast and lunch service daily. Free or reduced price breakfast and lunch are available to students who qualify under state and federal programs.

Applications are available electronically on the district website: <https://www.leoniaschools.org/apps/pages/lunchapplication>.

## HEALTH SERVICES

School nurses in each school conduct screenings for vision, hearing and scoliosis (curvature of the spine); maintain health records; record height and weight and blood pressure; administer medications (if a note from the doctor has been provided); and provide emergency care. The school nurse may also make referrals regarding possible emotional or physical difficulties. If a child becomes ill during school, he/she will be sent to the nurse's office. If, in the opinion of the school nurse, the child is unable to remain in school, a parent will be contacted and asked to pick up his/her child to take him/her home. A complete physical is required for children in kindergarten, fourth, seventh and tenth grades.

## AFTER SCHOOL CHILD CARE

Leonia School Age Child Care (SACC), an organization run by an independent board, provides child care services for students in grades Pre-K to 6 at Anna C. Scott School. Students can be dropped off as early as 7:00am and picked up no later than 6:00pm. SACC can be reached at (201) 944-6715.

## AFTER SCHOOL ENRICHMENT

Our district offers after school enrichment classes for ACS students in grades 1 to 4. A variety of courses are offered for a fee. Please keep an eye out for more information from ACS school.

## COMMUNICATIONS WITH THE PUBLIC

More information on our district and schools can be found at our district website: <https://www.leoniaschools.org/>

## HOME AND SCHOOL ASSOCIATION

Each school has an active Home and School Association. Members raise funds for special programs and trips, for teacher wish-list items, and for scholarships. Volunteers are always needed to help on field trips, to assist in the library, to perform at assemblies, to contribute to bake sales, to help at special events, to translate, to participate in career days, and much more. If you have a special talent you'd like to share, please contact the Home and School chair at your school or attend one of their scheduled meetings listed in this calendar.

In addition to the regular H&SA monthly meetings, the high school H&SA Education Committee meets monthly with the principal to share curriculum topics.

You may not cut down or alter a borough tree.

**DISTRICT'S MISSION**

To provide schools that respond to individual needs and abilities, as well as our Republic's interest in an educated citizenry. We seek to inspire our students to develop their unique talents, to live productively, and to make a positive difference in an increasingly complex and interconnected world.

In concert with home and community, knowledgeable educators will tailor rigorous programs that encourage relevant learning in the humanities, arts, sciences, math, wellness, vocation, and technology; As a result of their experiences with our staff and within our schools, our students will learn to think clearly, critically, and creatively.

**FACILITIES**

- **Anna C. Scott Elementary School** (Pre-K-4) 619 students;
- **Leonia Middle School** (5-8) 639 students.
- **Leonia High School** (9-12) 846 students

• **Leonia Early Childhood Program at ACS** is offered to children who have reached age 4 (four) by October 1. Enrollment is for a 10 month - 180 day school year following the calendar of the Leonia Public Schools. Classes are full day (8:50 am - 2:30 pm) - Monday through Friday. Class size is limited and includes certified teacher(s) and teacher assistants. The Leonia Early Childhood Program is a tuition-based program. Enrollment packets are available at the Leonia Board of Education office.

• **A Board of Education Office**, 570 Grand Avenue.

**SCHOOL ATTENDANCE**

If a child will not be attending school, parents must call the school first thing in the morning. Each school has a different procedure so please check your child's Agenda. When the child returns, he/she must bring a note signed by the parent or guardian describing the reason for the absence.

**SCHOOL POLICIES**

Each student attends a grade level meeting at the start of each school year. This meeting details the expectations and policies for that school. School policies may be accessed via the district website. Families are encouraged to review these policies as they regard to student conduct, academic expectations, and how to be a productive member of the Leonia Public School community

**SCHOOL DAY**

		<b>Single Session</b>
Pre K:	8:35 am - 2:40 pm	8:35 am - 12:50 pm
Kindergarten:	8:35 am - 2:40 pm	8:35 am - 12:50 pm

Grades 9-12:	7:50 am - 3:00 pm	7:50 am - 12:15 pm

**REGISTRATION**

Children must register at the school they will be attending. In order to register a child, parents must provide a birth certificate, immunization/medical records, and recent transcripts. In addition, parents must provide proof of residency to the Board of Education Office at 570 Grand Ave.

**ENTITLEMENT TO ATTEND THE PUBLIC SCHOOLS ON A TUITION-FREE BASIS**

State law (N.J.S.A. 18A: 38-1) stipulates that the children of legal residents of Leonia are entitled to attend the Leonia Public Schools on a tuition free basis. (Leonia's sending/receiving relationship with Edgewater entitles Edgewater students to attend the Leonia Public Schools in grades 7-12.)

As stated in Board Policies (Nos. 5111 & 5118), "The mere owning of any property whatsoever does not qualify a parent/guardian to send children to school in this school district." Additionally, "The Board reserves the right to verify the residency of any pupil and the validity of any affidavit of guardianship." Upon registering a student, parents/guardians must present appropriate documentation demonstrating residency. Affidavit submissions must also comply with applicable state law.

The Leonia Public Schools accepts tuition students on a limited basis and under certain conditions.

Students who are found to be in attendance in the Leonia Public Schools without any entitlement to do so on a tuition-free basis will be removed from school. Their parents/guardians will be subject to the payment of tuition calculated on a per diem basis for the length of enrollment.

**PHYSICAL EXAMS**

Physical examinations are required by the Board of Education before kindergarten, 4th, 7th, and 10th grades. Students participating in sports need an annual physical along with state-mandated age-appropriate vaccinations.

**EMERGENCY CLOSINGS**

If school is cancelled due to inclement weather you will see a Remind text and phone message. In addition, the posting of the emergency closing will be on the district's website [leoniaschools.org](http://leoniaschools.org).

**CROSSING GUARDS**

Crossing guards help children safely cross the streets at key intersections. Please encourage your child to cross only where there are guards on duty.

**SCHOOL BOARD MEETINGS**

The Leonia Board of Education holds public meetings on a regular basis. The meetings will be held at either the Anna C. Scott Elementary School or Leonia High School. Please check the district calendar for the specific meeting dates.

### LEONIA RAILROAD DEPOT, POSTCARD CIRCA 1905

The pictured railroad depot was built in 1880. It was the second depot in Leonia's history. No image has come down to us of the first one built sometime close to 1859 when the Northern Railroad established its train line through Leonia. The Postcard is from the Local History Collection of the Leonia Public Library.

Left: looking east on Fort Lee Road one block west of Willowtree Road is the Kulite building on the location where the depot stood. *Photo by Aviva Djiji-Levy*
